GRADUATION
SPONSORSHIP
PROPOSAL
- 2024 -**

LAKESIDE / Redefine the rest of your life.

INTRODUCTION

Thank you so much for being one of our trusted partners in providing so many valuable services to Lakeside in this past year. Together we have worked with over 8,000 students who have had significant life struggles and offered them help, hope and a promising future.

Each year we celebrate those successes with inspiring graduation luncheons and ceremonies for each of our programs.

Once again we are asking you to join us in these celebrations by sponsoring our graduations. This will allow parents, staff and our students to revel in their journey of healing and enjoy the momentous achievements as a result of being in one of our Lakeside programs.

Also please know that included with your generous financial support is an invitation to join us at one or more of our graduations. I'm sure you will be inspired as we all are by the impact of our work together.

We have provided you with a choice of opportunities for sponsorship which include their corresponding benefits. Thank you so much for your connection and partnership with us as you consider becoming a Lakeside graduation sponsor.

Gerry Vassar
President / CEO

LAKESIDE / Redefine the rest of your life.

ABOUT US

For struggling students, success is often an elusive dream and failure a painful reality. Lakeside's brain-based trauma-informed approach to serving young people alters that reality. When students perceive themselves as failures, they can react by withdrawing or acting out.

We offer another option, one that leads to success today and in the future. Lakeside students learn successfully to take on the challenges they face. They realize hope and the possibility of altering and redefining the rest of their lives.

ABOUT THE EVENT

Included please find this year's sponsorship opportunities. We ask you to consider expanding your partnership with Lakeside to the contribution level that your organization is most comfortable. These charitable funds will be used to defray the cost of the graduation ceremonies and awards. If you are moved to focus your donations to a specific program, we ask you to please advise us of any specific dedication with your contribution.

To ensure that your company's name will be included in our programs we are asking you to consider our printing deadline of Wednesday, May 15th. If the donation is received after the deadline your company/organization will be acknowledged verbally during the celebrations.

LAKESIDE / Redefine the rest of your life.
